   i. Turner noted that essentially all the Board members who were attending the February 11th dinner meeting had registered electronically but only one other EA member did so to date. There is no charge to the EA for
using the Alumni Affinity Resources electronic registration and payment system and the board agreed to continue to use this option in addition to paper option, going forward.

          has expanded content and announcements of events, deaths and
          accomplishments of emeriti. Jonathan Bates is doing a terrific job of
          maintaining it and Diane Childs developing much content.
    b. Logo for EA Lippe
       i. A new logo design was reviewed and after much discussion, there was no
          consensus. ACTION: The board decided to pursue the prior idea of

and presented at the dinner.

c. Faculty Center status Mitchell
   i. All were encouraged to attend the General Meeting on Thursday the 8th.
   Mitchell already meet with a group of FC Members earlier which included
   several dissident members. They were concerned that the financial
   condition of the center was very weak and not being adequately
   addressed. The understood there are no more than 5 years of reserve
   funds at the rate they are being depleted. The fact that Berkeley gets
   financial support from the administration was noted. This is contrasted to
   UCLA who get nothing at the moment.

14. Committee Reports- Standing and requested
   a. Treasurer Permaul
      i. Report circulated and good financial condition noted [appended]
   b. Membership Taylor
      i- There were 523 responses to the membership solicitation yielding 704
      members. This was a decrement from the years before. The email follow-up
      was not successful and people did not all realize that they had already paid
      and some joined again. More thought needs to be given to next years’
      solicitation.
   c. Program/Hospitality Smith/Turner
      i-The program list was distributed. Nothing new except that the June
      meeting will have only one presenter, Prof Galvan. At the dinner this month the
      affinity system of online reservations and payment will be used for the first time.
      Gloria Turner who deserves Kudos for this prefers the online payment and
      reservations rather than all of the paper.
   d- Faculty Women’s Club Caballero
      Rochelle Caballero announced the February 3rd scholarship dinner can be paid
      using the on-line Eventbrite system. The guest speakers will be two past
      scholarship winners who have gone on to doctoral degrees and academic posts
   e- Corresponding Secretary: Child
      Report deferred to next month. A discussion as to whether to include William
      Gerberding as an emeritus was initiated. Gerberding whose greatest fame

   a. Emphasis on getting all the sections for the Winter letter on time

15. Consent Calendar “Report only if individual shown has opted prior to or at meeting to give report”
   a. Archives Committee Report- Bates
      i. At this moment we are putting stuff in folders awaiting an experienced archivist. Berst suggested that this person could also serve CUCEA, but the board’s preference was to focus on UCLA first and foremost.
