   a. Statement of purpose

   1-It was noted that Article II of the Constitution of the EA is labeled “Purposes” and that seven are listed. Nevertheless, because of the length of the section, a shorter statement would be helpful for use in a variety of circumstances, publications, etc.  ACTION: Unanimous adoption of the statement: The UCLA Emeriti Association advocates at the campus and statewide level on behalf of all UCLA retired faculty, librarians and those with conferred emeritus status. Additionally, the Emeriti Association plans programs for its members, encourages emeriti to stay connected to UCLA, and reaches out to those considering retirement.

   b. Consideration of a non-UCLA professor emeritus as a UCLA emeritus member

   1-There is a clause in the By-Laws, Article 1- Section 4: which addresses this issue and reads “Any person retired from another campus of the University or from another University who meets the UCLA criteria for Regular or Honorary
membership is eligible to become a member of the UCLA Emeriti Association subject to approval by the Membership committee and the Executive Board."

**ACTION:** Cederbaum can present the credentials of the potential member to the Board.

c. Impact of Insurance Coverage Change Mitchell
   i. The major issue was the incomplete information provided to members for the switch of Pharmacy coverage to OPTIM Rx, which resulted in numerous issues that were slow to be addressed due to insufficient resources on both the OPTIM and UCLA sides.

   i. The Fall Dinner will be the meeting at which the Board will celebrate this landmark Anniversary.
   ii. The Board discussed inviting “pioneer” emeriti faculty, and several were named: Bernice Wenzel, Eugene Stern, Mef Seamans, and potentially others. **ACTION:** Invitations to invited “pioneers” would include complimentary dinner and transportation if necessary.

e. EA Matching Funds for Donations to Faculty Club Edmonds and Board
   i. Based on previous discussions about the status of the Club and its finances, the Board has considered the use of Board Budget dollars to match the contributions from Emeriti current or past, and those eligible for Emeriti membership. **ACTION:** The Board approved matching up to $12,000 on a 1:1 basis during the March 1- June 30th timeframe.
   ii. Publicize this in emails and newsletter

   **b. Membership Taylor**
   1. Nothing new; membership is over 600 without counting spouses

   **c. ERRRC Barnes**
   1. Name Change: BioBibliographic Survey changed to Emeriti Activity Survey **ACTION:** This will result in need to change in the By Laws wording of the committee name in Article 4 Sections 1 and Section 3
