ASSOCIATION BOARD MEETING MINUTES

DATE: Sept 12, 2018 LOCATION: Murphy Hall 2121 TIME 1:30PM

1. Introductory remarks - Mellor
   a. Mellor welcomed the 2018-2019 Board and welcomed the guest speaker, Vice-Chancellor for Academic Personnel Michael Levine to begin the meeting.

2. Discussion regarding search for a new ERRC Director Levine
   a. Levine noted that there were two issues involved in the ERRC going forward. The first being the search for a new director, and the second being the location of the ERRC going forward.
      i. With respect to the first, a search committee will be formed with Erica Chow, director of academic personnel as the chair. Levine will be a member as will a member from the Retirement Association, a member from the Emeriti Association [possibly Mellor], involvement from AROHE, involvement from David Lopez, and a currently active faculty member. The committee will begin before end of September and be ready to decide in late January or early February with the goal of a month of overlap before Barnes retires. Barnes will write the job description.
      ii. The location of the ERRC offices going forward. The first site was the faculty center which was to undergo some remodeling. However, following the finalization of an agreement between the FC and the University, the need for more space in FC [a new kitchen is one example] and other changes that expand space, the ERRC will remain in its current location for ~ 2 years or more while the FC undergoes the changes which may also include the addition of an annex.

      i. The survey is done every three years and the last one had ~ 16% responses the last time needs to be better this time  
      ii. The survey will be on line save for those without email. Carter will help in the analysis  
      iii. Given the importance of the results which document the contributions of the Emeriti, the financial impact their work contributes, and the impact the actions of those who responded to the survey have on the University, the goal is to make sure that Emeriti voices are heard and contributions acknowledged, and resulting actions are taken to allow them to continue their work.
