

## **In Memoriam Fall, 2023-Winter, 2024**

---

**The following current and retired members of the UCLA Academic Senate, Librarians Association of the University of California, Los Angeles, or whose emeritus status was conferred, died between January 12, 2023, and February 28, 2024.**

**Spouses and those who died in service are also included.**

**The UCLA Emeriti Association honors them and extends our condolences to their families, friends, and colleagues.**

**Daniel E. Atkinson**

Chemistry & Biochemistry (metabolic biochemistry/regulation, energy charge, role of the urea cycle); president, UCLA Emeriti Association, 1997-1998; UCLA Emeriti Association Emeritus of the Year, 2007; **102 years old**

**Donald Hardt “Don” Catlin**

Molecular & Medical Pharmacology (carbon isotope ratio test, drug testing in professional sports); director, UCLA Olympic Analytical Laboratory

**Robert J. “Bob” DeLange**

Biological Chemistry (chemical modification of proteins, sequence and structure of bacterial flagellins, function of histones)

**Anayis K. Derdarian**

Nursing (behavioral systems models for nursing, nursing cancer patients)

**Barbara Duke**

Library (Education & Psychology Library (head); Charles E. Young Research Library Reference Department)

**Karen Ito Edgerton**

Surviving spouse of Robert B. Edgerton, Anthropology (sociocultural anthropology), Medicine (assistant dean, academic affairs), Psychiatry, UCLA Mental Retardation Research Center, UCLA Center for Culture and Health, mental retardation and competence & stigma

**Michael Grunstein**

Medicine/Biological Chemistry (epigenetics; genetic analysis of histones, regulation of gene activity, chromosomal functions)

**George Robert Guffey**

English (17th century English literature, science fiction literature, John Dryden)

**Clarence Albert Hall, Jr.**

Earth & Space Sciences (geology, natural history of Southern California, earthquake faults, Deep Spring Formation); director, White Mountain Research Center

**E. Russell “Russ” Hardwick**

Chemistry (shock-wave kinetics, photostationary states, flash photolysis; teaching non-science majors); **100 years old**

**Isabelle Hunt**

Public Health (Community Health Sciences, vegetarian nutrition)

**David D. “Dave” Jackson**

Earth, Planetary, and Space Sciences (geophysics, earthquakes, earthquake prediction, early warning, and mitigation strategies)

**Harry J. Jerison**

Psychiatry & Biobehavioral Sciences and Psychology (brain evolution, vigilance (sustained attention), nature of intelligence)

**Jascha Frederick Kessler**

English (modern American & English literature; creative writing—poetry, plays; novels, short stories; translation—Persian, Finnish culture in Los Angeles)

**David Kunzle**

Art History (contemporary comics scholarship, history of comic art, political graphics; fashion and fetishism; Latin America, Cuba, murals of revolutionary Nicaragua)

**Richard Daubin “Dick” Lehan**

English (American realism and naturalism, the city in literature, F. Scott Fitzgerald, Theodore Dreiser)

**Antonio “Tonino” Lysy**

Music (Cello; baroque music and postmodern sculpture; baroque, acoustic, and electric music; music from Argentina; performance practice)

**Kirstie McClure\***

Political Science, English, Comparative Literature (modern and contemporary political theory, politics and literature, the history and historiography of political literature, and feminist theory)

**James N. Miller**

Microbiology, Immunology & Molecular Genetics (molecular and cellular approaches to the immunobiology and immune pathogenesis of syphilis and Lyme borreliosis)

**Jeffrey “Jeff” Morehead**

Library (Charles E. Young Research Library social sciences cataloging)

**Herman Ooms**

History (pre-modern and early modern (Tokugawa) Japanese history and cultural theory)

**Allen Parducci**

Psychology (cognitive psychology, “range-frequency” theory, predicting how individuals make judgments)

**David C. Rapoport**

Political Science (Terrorism); founding director, Center for the Study of Religion; UCLA Dickson Emeritus Professorship, 2007-08

**Dan Shelton Ray**

Microbiology, Immunology & Molecular Genetics (DNA replication, DNA repair)

**Ann Briegleb Schuursma-Robinson**

Music (founding director/archivist, Ethnomusicology Archive, Roman Christmas music)

**Reiner L. Stenzel**

Physics & Astronomy (plasma physics; development of novel plasma sources, diagnostic tools, and data processing techniques; EMHD heat pulses, whistler waves, magnetic reconnection)

**Maurice Bernard “Barry” Sterman**

Medicine (Anatomy, Psychiatry & Biobehavioral Sciences and Neurobiology; brain mechanisms of sleep and wakefulness; SMR (sensorimotor rhythms), neurofeedback)

**Masahiro Sugawara**

Medicine (VA Wadsworth; internal medicine, endocrinology, thyroid, diabetes, and metabolism)

**Werner Terjung**

Geography (physical geography and climatology; physical concepts and processes; research methods including numerical modeling and computer programming; models in biophysical ecology, especially aspects of regional food production, and urban climates)

**Mary Terrall**

History (history of science, 18<sup>th</sup> century science, Newtonian mechanics, French intellectual history, sciences in the Enlightenment, history of women in science, Maupertuis, Du Chatelet, Réaumur)

**Mladen Vucetic**

Engineering (Civil & Environmental Engineering, civil engineering, geotechnical engineering, soil dynamics, cyclic and monotonic soil behavior, soil responses to earthquake ground shaking)

**Charles E. “Chuck” Young**

Political Science and UCLA chancellor (1968-1997); UCLA Emeriti Association Lifetime Achievement Award (November, 2017) See UCLA Newsroom In Memoriam at [Charles E. Young, former chancellor who led UCLA for nearly three decades, has died at 91 | UCLA](#)

**\*Died in service**
